

Call On The Fighter

Let'em call you underdog, won't be the first time they were wrong
Put that lie where it belongs
CALL ON THE FIGHTER

You know deep down in your soul, where the victory flag unfolds
Ring the bell it's time to go
CALL ON THE FIGHTER

Chorus:

Call On The Fighter We Aint Backing Down
Live To Fight Another Round
Can You Hear It Now - Courage Is Crying Out
Call On The Fighter We Aint Giving In
Bring The Thunder Bring The Raging Wind
We'll Rise Up Like The Dawn - And Do It All Over Again

So if you're up against the ropes
Feel like you might be losing hope
You're not In this ring alone
CALL ON THE FIGHTER

Chorus:

Call On The Fighter We Aint Backing Down
Live To Fight Another Round
Can You Hear It Now - Courage Is Crying Out
Call On The Fighter We Aint Giving In
Bring The Thunder Bring The Raging Wind
We'll Rise Up Like The Dawn - And Do It All Over Again

Come On Let's Rise Up Like The Dawn
And Do It All Over Again

CALL ON THE FIGHTER!
